The TCPA regulates telemarketing calls, voicemails, and texts. There is no B2B exception to the TCPA.

TCPA Liability: \$500 - \$1,500 per violation, with lawsuits often brought as class actions.

How to Comply: Before calling or texting, confirm the number:

Is not on the national Do Not Call registry.

Is not on any state, county, or local Do Not Call list.

3. Click Validation

4. Scroll down to Manual Validation

5. Click the Select Validation Method dropdown menu and select DNC Lookup

Manual Validation

Validate One Number at a Time (US & Canada only)

Select Validation Method
